Onyx Technologies
1300 Caraway Court
Suite 200
Largo, Md. 20774

INTRO

Onyx Technologies is an IT Services provider. We offer a full range of Network Infrastructure and Professional Services and Support.

Primarily but not limited to the Washington DC Metropolitan area, our clients consist of Corporations, Federal/State and Local Government Agencies, and Non-profit organizations. Rapidly changing technology requires that personnel and resources continually adopt to these conditions.

At Onyx we understand the importance of staying abreast of the latest trends and technology. We keep our staff trained, and we constantly update our resources to maintain the most up-to-date knowledge of emerging technologies.
